Erin Dawson had the perfect life growing up in a perfect home with a perfect family. Her parents gave her and her sister everything a child could want. But after learning that the man she’s called “dad” her whole life isn’t actually her biological father, Erin is determined to find the man who is.

Armed with her original birth certificate, she finds her father, but begins questioning if her mom had been right all along to keep this information buried. It turns out he is the president of a motorcycle club, which could not be further from the life Erin leads. But, she’s determined to get to know the man who she gets her striking blue eyes from. Despite getting what she wants and finding her biological father, it’s the slightly older,

much rougher but incredibly sexy biker Ace that catches Erin’s eye.

As the new “princess” of the Cursed Ravens, Erin is learning a whole new world, but her father has made it clear she is off limits. Will Ace follow his President’s orders or will he put his heart ahead of his duty? A sizzling tale of family and passion, *Ace of Hearts* features Fernando’s signature “snark and sass” (*Booklist*) and is perfect for fans of Kristin Ashley.
