Sexy, newly single, former Marine Andrew Charles Elliot IV, aka Ace, was ready for a life with no drama and no one to answer to. After a broken engagement and twelve years in the Corps he hoped his fresh start in Harper's Crossing would be just what he needed. But after laying eyes on his new neighbor, he knew all he really needed was her...

Stephanie Holland excelled at taking care of others both at work as a nurse and as an incredible big sister to her twin siblings. The gorgeous redhead had no room to think of anyone else...that is until *he* moved next door...

After years of putting the needs of others before her own, would she be able to surrender to the idea of someone taking care of her? Would Ace be able to convince her that he wanted to be there for her—mind, body and soul? Could he make her see that she was *All He Needs*?
