Adam Spencer loves women. All women. Every shape and size, regardless of hair or eye color, religion or race, he simply enjoys them all. Meeting more than his fair share as the manager and head bartender of The Odyssey, a hot spot in the heart of New Orleans' French Quarter, Adam's comfortable with his lifestyle, and sees no reason to change it. A wife and kids, plus the white picket fence are not in the cards for this confirmed bachelor. Until a beautiful woman, and her sweet princess, literally knock him on his ass.

Sarah Cox has just moved to New Orleans, having accepted a position as a social worker specializing in at-risk women and children. It's a demanding, sometimes dangerous job, but Sarah is no shy wallflower. She can handle just about

anything that comes at her, even the attentions of one sexy Adam Spencer. Just because he's charmed her daughter, making her think of magical kingdoms with happily ever after, doesn't mean that Sarah believes in fairy tales. But the more time she spends with the enchanting man, the more he begins to sway her into believing in forever.

Even so, when Sarah's job becomes more dangerous than any of them bargained for, will she be ripped from Adam's life forever?

****Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.****
