What does it take to be a standout student? How can you make the most of your college years—graduate with honors, choose exciting activities, build a head-turning resume, and gain access to the best post-college opportunities? Based on interviews with star students at universities nationwide, from Harvard to the University of Arizona, *How to Win at College* presents seventy-five simple rules that will rocket you to the top of the class. These college-tested—and often surprising—strategies include:

- Don't do all your reading
 - Drop classes every term
 - Become a club president
 - Care about your grades, Ignore your GPA
- Never pull an all-nighter
 - Take three days to write a paper
 - Always be working on a “grand project”
 - Do one thing better than anyone else you know

Proving that success has little to do with being a genius workaholic, and everything to do with playing the game, *How to Win at College* is the must-have guide for making the most of these four important years—and getting an edge on life after graduation.
