

# Scaricare Lou Reed PDF Gratis - Anthony DeCurtis

**Scaricare o Leggere Online Lou Reed Anthony DeCurtis PDF Gratis, A GUARDIAN AND CHOICE BOOK OF THE YEAR**

**'A walk on the wild side with the alt-rock pioneer' GQ**

**'DeCurtis is well placed to trace Reed's five-decade career, drawing on insider knowledge but skilfully balancing it with detailed research and fascinating interviews' Mojo Magazine**

As lead singer and songwriter for the Velvet Underground and a renowned solo artist, Lou Reed invented alternative rock. His music, at once the height of sanctity and perversity, transcended a genre, speaking to millions of listeners, inspiring a new generation of musicians, and forever changing the way we think of that iconic era of sex, drugs, and rock 'n' roll.

Throughout his five-decade career, Reed embodied artistic self-awareness and captured the beauty, paranoia, and vivacity of his time into an array of hit songs, experimental albums, and a larger-than-life persona. With such masterpieces as 'Sweet Jane' and 'Walk on the Wild Side', Reed exerted an influence on popular music rivaled only by the likes of Bob Dylan and the Beatles and is recognized to this day as one of the greatest musicians of the 20th century.

Now, just a few years after Reed's death, comes the thrilling, provocative story of his complex life. An acclaimed *Rolling Stone* contributor, Anthony DeCurtis interviewed Reed extensively and knew him well. With unparalleled access to Reed's friends, family, and dozens of other intimate relations, DeCurtis brings Reed's story compellingly alive and deepens our understanding of his indelible music. We travel deep into the underground artist clubs, listen along in the studio as the Velvet Underground record their signature work, and revel in Reed's relationship with legends like Andy Warhol, Patti Smith, and David Bowie. Insightful, revelatory, and intimate, *Lou Reed* is a gripping tribute to a quintessential American icon.
