Meghan Quinn & Sara Ney PDF Gratis, Dear  
Mister...\*\*strike out\*\* no, too formal.

Hey there sweet cheeks \*strike out\* no, too forward.

To whom it may concern,  
Full disclosure; before we move forward with this email, I  
would like it to be known that I have consumed an adequate  
amount of alcoholic beverages to intoxicate myself tonight.  
Three margaritas, two shots, and one beer—because it was  
free.

I think it's important to be open and honest with your co-  
workers, don't you?

So here I am, being honest. Drunk but honest. Or just drunk  
with lust? You decide.

I like you so much it's clouding my judgment and making me  
do things I never would sober. Like write this letter.

I have a hopeless, foolish, schoolgirl crush on you when you are the last person on earth I should be  
falling for. Did you know people around the office call you a sadist? An egomaniac. An insensitive,  
arrogant prick. Your bark is worse than your bite, and you don't scare me. The fact is, I'd love that  
bite of yours to nip at my bare skin while we're both wearing nothing but sheets.

For once I want you to look at me as more than one of your employees.

And as long as we're being honest, that navy blue suit you wear? With the crisp white shirt? It really  
makes me want to loosen your tie and show you who's boss.

Love,  
Sincerely,  
Yours.
