Tara Murray is an Aussie on a mission to see the world. Her gap year has been enlightening but gets much more exciting when she meets a Kenyan-American heartthrob with a killer smile. But she's not in Nairobi to meet guys, not even to help her get over the unrequited love she left behind.

Nelson Kimani isn't looking for a serious relationship. He'll only be in Nairobi for a couple of months, following a semester working at a safari lodge, and then he'll head home to the U.S. to finish his graduate degree. But Tara knocks this leopard shifter off his haunches. He wants to get to know the bold, curvy Aussie better, physically at first, and see where things go. But she won't let him in.

What will happen when Tara discovers Nelson's biggest secret, the wild animal inside?

Enjoy a workplace romance with an exotic setting and unforgettable characters. This steamy stand-alone short, recommended for ages 18 and up, is a multicultural, interracial shifter romance novella with a little bit of spice and a happily-ever-after.
