The stakes have never been higher for Carolina Cold Fury goalie Ryker Evans. With his contract running out, he's got a year left to prove he's still at the top of his game. And since his wife left him, Ryker has been balancing life as a pro-hockey star and a single parent to two daughters. Management is waiting for him to screw up. The fans are ready to pounce. Everybody's taking dirty shots—except for the fiery redhead whose faith in Ryker gives him a fresh start.

As the league's only female general manager, Gray Brannon has learned not to mix business with pleasure. And yet even this tough, talented career woman can't help breaking her own rules as she gives Ryker everything she's got. She hopes their hot streak will last forever, but with Ryker's conniving ex plotting to reclaim her man, the pressure's on Gray to step up and save a tender new love before it's too late.
