The Cotswolds Cookery Club was originally published as a three-part serial. This is the complete story in one package.

The Cotswolds Cookery Club is opening its doors!

Connie has had enough. Enough of the city, enough of her job - and most importantly, enough of her cheating boyfriend! Finally free to chase her dreams, Connie sets up her very own Cotswolds Cookery Club - a place to share scrumptious recipes and, more importantly, a lot of wine...

Trish always dreamed of living in a little chocolate box village - but she never expected to be starting over at forty. Could joining the Cookery Club be the perfect distraction from her stropky teenage daughter and her ex-husband's new girlfriend?

Kate spends her life juggling her three young children and running the busy Cotswolds veterinary practice. It's time to take charge of the disparate ingredients of her life and transform them into the perfect pot-au-feu!

But with three delicious men turning up the heat, perhaps the sleepy Cotswolds village has a few surprises in store...

Fans of Milly Johnson, Caroline Roberts and Jill Mansell will love this heartwarming read!
