**There's one last change for justice . . .**

They dreamed of changing the world. Instead they're facing a mountain of debt and no hope of a future.

Mark, Todd and Zola are starting to realise it's not even worth graduating from law school. They're better off hanging out at The Rooster Bar, plotting how to dodge the loan sharks.

But maybe there's another way. Maybe they know enough about the law to pass as lawyers.

Because it turns out the crooked hedge fund billionaire who owns their law school also runs the bank that arranged their student loans.

And it's time justice was served. Even if it means taking on the FBI to do it . . .
