A chapter that began eighteen years ago but had a heartbreaking ending. The time in between was full of family and friendship, but Cady could never get the man she fell in love with all those years ago out of her heart.

Coert Yeager has learned to live without the girl who entered his life right when she shouldn't and exited delivering a crippling blow he never would have suspected. The time in between was full of failing to find what he was missing...and life-altering betrayal.

But when that girl shows up in Magdalene and buys the town's beloved lighthouse, even if Coert wants to avoid her, he can't. A fire in town sparks a different kind of flame that won't be ignored.

As Cady and Coert question the actions of the two young adults they once were thrown into earth-shattering circumstances, can they learn from what came in between and find each other again?
