

Scaricare Treasure Island PDF Gratis - Robert Louis Stevenson

Scaricare o Leggere Online Treasure Island Robert Louis Stevenson PDF Gratis, Treasure Island is an adventure novel by Scottish author Robert Louis Stevenson, narrating a tale of "buccaneers and buried gold". It was originally serialized in the children's magazine *Young Folks* between 1881 through 1882 under the title *Treasure Island*, or the mutiny of the *Hispaniola*, credited to the pseudonym "Captain George North". *Treasure Island* is traditionally considered a coming-of-age story, and is noted for its atmosphere, characters, and action. It is also noted as a wry commentary on the ambiguity of morality—as seen in Long John Silver—unusual for children's literature. It is one of the most frequently dramatized of all novels. Its influence is enormous on popular perceptions of pirates, including such elements as treasure maps marked with an "X", schooners, the Black Spot, tropical islands, and one-legged seamen bearing parrots on their shoulders.
